Thursday	8:00 -12:45 Study Program 12:45-1:45 Strength & Conditioning 7 th -12 th grade	9:45-12:00 Ballet, Jazz, Technique level 2-3	

***** All classes must have at least 12 students to keep the class. If a class is canceled due to low enrollment we will do our best to place you in an afternoon class but cannot guarantee you a spot.**

Home Schooling? We've got you covered! This year we will be offering dance classes during the day! These classes are combination classes and must be taken together. If you are planning to go back to school in January please be aware that we will try to accommodate you but cannot guarantee you a spot in an afternoon class.

Split Schedule? Not sure what to do with your children when they're off? Let us help!! During the morning certified teachers will help with their assignments and homework as well as some enrichments such as bible study and sewing. We must have a minimum of 16 students to offer this program, so please let us know if you are interested. The price is \$35 a day. Students will need to bring their own lap top or tablet / notebooks etc and lunch. After the study program we will have a strength and conditioning class offered for students in 7th – 12th grade. It is separate and will need to be registered for separately. It will be our normal tuition rates

Virtual Classes: For \$25 a month those people who can't commit to a regular schedule or simply aren't ready for full time exposure just yet, we are going to offer virtual classes. There will be a new class each week (taught by a different teacher each week) that your child can log in at her convenience and take the virtual class. The class will be available for the entire week and can be viewed as many times as you like. Each week a new class will post and your child will have unlimited access to this classes for a full week. This will give your child exposure to many different teachers and genres of dance and he/she can watch the class over and over if he/she wishes.

LEVEL INFO

Dear Parents: We have a "Level" placement system for all of our dance classes. All 1st and 2nd grade students will enroll in Level 1 classes (except for Acro* which is divided strictly by skill level). All 3rd grade and older students will be placed according to their experience, work ethic, skill level and age. Level placement helps all of our students by placing them where they can get the most out of their classes. All **new** students will need to be placed in the lowest level for their age (see chart below) and then we will place them as we see them perform in their classes. Should your child need to move up more than one level, this could mean asking you to come on a different day. If the new time would not work with your schedule, the dancer could stay right where he/she is as we firmly believe that honing fundamentals only builds better dancers! A detailed description of the level Placement Process is explained below.

Explanation of Level Placement:

All **returning students** will be given a suggested placement with their parent packs at recital. This suggested Level is for your jazz and ballet placement. All other classes include a broader range of levels and you may choose any of those classes that work for you provided your suggested Level is within that class range. For example, if your child's suggested Level for Jazz or Ballet is Level 2, then he/she could enroll in any class that had a Level 2 listed within the range.

If you are a new student to CKDA – here is a general guideline as to where you should enroll your child:

All Preschoolers should enroll in any of our PreK TBA (Tap, Ballet, Acrobatics) classes.

All Kindergarten students should enroll in any of our Kinder TBJ (Tap, Ballet, Jazz) classes. (Kindergarten students are also eligible for Acro I.)

All 1st – 2nd Graders should enroll in Level 1 classes.

All 3rd – 5th graders should enroll in Level 2 classes.

All 6th – 8th graders should enroll in Level 3 classes

All New High School students should enroll in Level 4 classes.

**Level 5 Jazz or Ballet requires that dancers are able to sit in both splits and properly and consistently execute double pirouettes to the Left and the Right.

Remember this is just a guide for you to place your child if you are **new to CKDA. We will place your child accordingly once we have seen them perform in class.

Pointe Classes: Ballet class must be taken in addition to pointe class. To be in pointe class you must be placed in no less than a Level 5 Ballet or you must have previously had a year of pointe and must be at least 11 years old. **Only dancers with teacher permission may enroll in pointe.** Please check with your child's ballet teacher if you would like to enroll in pointe classes and **DO NOT** buy shoes until you have received permission from the teacher.

Technique Classes: Each technique class has the Level ranges listed. Enroll in the technique class where your Level falls.

Acro:

Level 1 Beginner - cannot do stand up backbend (no costume – no recital performance)

Level 2 Can do stand up backbend unassisted and strong cartwheel

Level 3 Can do stand up backbend, strong cartwheel, properly execute front limber and backbend kickover

Level 4 Can do all of level 3 requirements plus properly execute back and front walkovers

Level 5/6 Can do all of level 4 requirements and also properly execute standing back handspring, running side aerial, and round off with a single back handspring

Power Tumbling - must be in 7th grade and already able to do a back handspring unassisted.

**Only dancers who can ALREADY perform the skills listed may enroll in this class. We will move kids as they progress during the year.*

ALL ACROBATIC 1 CLASSES WILL HAVE A SEPARATE “ACRO SHOW OFF” AT THE STUDIO AT THEIR LAST CLASS BEFORE RECITAL. THEY WILL NOT PARTICIPATE IN THE RECITAL and THEY WILL NOT REQUIRE A COSTUME**
